

Al-Saiqa (Vanguard of the Liberation War). Communiqué No. 1. Damascus, 9 June 1967. Translated by *The Palestinian Revolution*, 2016.¹

People of our great nation. Dear brothers in the path of liberation and return. Proceeding from our belief that the People's Liberation War is the only way to recover the stolen land, and to strike the foundations of colonialism and Zionism in the Arab world, and stemming from our belief that the public armed struggle on the battlefield is the only way to conquer and expel the enemy, and direct the coherent public energies on the battlefield, the Vanguard of the Liberation War commandos set off to contribute in the honourable battle that is taking place on the stolen land of Palestine, they raided the back border on the evening of the 8th of June where:

- 1) One of forces of Group 18 moved within the occupied territory, blew up and destroyed the following targets:

At Alqasās camp opposite Hwaidin:

- a) Five armoured vehicles fully loaded of soldiers and equipment
 - b) Five water basins near Alqasās camp and safely returned to their bases.
2. On the same night, one of the forces of Group 59 moved towards the Alsambariyya colony next to Alkhālṣa. They blew up and destroyed two pantry warehouses, and also blew up a water generator at the colony, then safely returned to their bases.

Our fighters will continue to blow strikes to destroy the enemy lines, promising the Arab nation to implement the scorched earth policy and to fight at the heart of the enemy locations.
